

I Grow Bamboo So Can You!: Easy Control on a City Lot

This triple purpose family format book allows you to educate and entertain young children while quickly discovering how to easily manage large bamboo on your city lot. While enjoying lush, inspirational photographs of bamboo growing on the authors city lot, you will learn a few simple, yet essential facts about how running bamboo grows, so that you too can enjoy this outstanding, exquisite plant. Section I is dual purpose for either children to enjoy short rhymes and photos or for busy adults to grasp the basic content of the book with a few key words. For those interested in pursuing the subject further, Section II provides additional detail while remaining concise and to the point. The beauty, intrigue, attraction, and sometimes controversial nature of bamboo, along with the quick and easily understood content provides the third purpose: a smaller, casual coffee table book ready to entertain visitors of all ages and stimulate conversation.
