

Bad Religion

Bryce Harkless is unapologetic. Hes raw, rude and arrogant but sweet, gentle and loving. Hes a sexy college basketball player from Savannah, GA that everyone loves and wants to sleep with. His life, however, is full of conflicts. He is haunted by the past, yet afraid for the future. He loves his boyfriend, but hates him, too. To avoid facing his troubling past, he lies, cheats and engages in risky behavior. There are layers of pain inside of Bryce that are destined to destroy his life if he doesnt learn how to face them and move on. He was raised in the church, but he doesnt understand Gods reasoning for treating him the way he does. He doesnt want to be gay, but women do nothing for him. In turn, he blames God for everything. He hates God. The month of March is the hardest time of the year for Bryce. During this time, he is forced to deal with an event from his past that shattered his young life into pieces. As if dealing with that situation isnt hard enough, an incident involving another man raises questions about his sexuality in the mind of his beloved auntie.

However, everything comes to a screeching halt in just one phone call. There, he gets the news that undermines everything else. Come along for the ride in this novella, as the next few days are destined to turn Bryces already rollercoaster life, even more upside down!
Genre: Gay; African-American Length: 32,288 words; Novella WARNING: This novella contains graphic, risky, sexual behavior between men. Bad Religion is intended for adults only. Reader discretion is advised.
