

Clarkesworld Magazine Issue 67

The April 2012 issue of the Hugo Award-winning science fiction and fantasy magazine, Clarkesworld. This issue features the following stories: Fragmentation, or Ten Thousand Goodbyes by Tom Crosshill, Draftyhouse by Erik Amundsen and The Womb Factory by Peter M. Ferenczi. Non-fiction includes two round table discussions (world-building and speculative fiction in academia), an article on popular music and the end of the world by Brian Francis Slattery, and the launch of our Another Word column, written this month by Daniel Abraham.
