

Student Activities Manual for Jansma/Kassens Motifs

The Student Activities Manual (SAM) is an integral tool to help students master the course material. The Activities in the Workbook give students the opportunity to apply and practice the material presented in the textbook, including the vocabulary, structures, and cultural information. Perspectives culturelles sections provides more practice with the cultural notions and Voix en direct speakers. The Lab Manual, with its Activities de comprehension et de prononciation, includes listening comprehension activities and instruction in pronunciation. Also available electronically in the iLrn: Heinle Learning Center and/or Quia.
